

Dear Parents and Guardians of GLO Worship,

***Corporate worship is essential for spiritual growth.***

We praise God that we can be your partner to raise a faithful generation that loves and serves God. We pray that Junior Worship has helped your child or children to develop a God pleasing worship attitude. We are grateful to play a role to encourage regular corporate worship at SCBC that starts at such young age. Hence, we have Grade 1 to 4 *GLO Worship* and

Grade 5 to 6 *GLO Junior Worship*. In September, we will welcome Grade 5 to worship in B20 and Grade 7 will join the worship in the main sanctuary.

***Family English Worship has a vital role for transitions.***

Children's Ministry in SCBC ministers to children ranging from Nursery to Grade 6. In order to help Grade 7 to transition better to the English worship service and encourage multi-generational worship, we have established "Family English Worship" every third Sunday of the month. Please continue to take your children to attend Family English Worship service so they will get familiar with the worship in the main sanctuary. If you are attending other language services, we still invite you to find time to worship together with your own children.

***We do encourage children to serve God regardless of their age.***

For all Grade 7 and up, we encourage them to become a leader if they would like to stay in Junior Worship. These leadership roles include welcoming, worship leading, assisting in Audio-Visual, and setting up the worship space. They can also have the opportunity to learn how to be good leaders for Grade 5/6 in GLO Junior Worship.

Our vision is to train up young spiritual leaders and having them taste what commitment and servanthood are all about. Through this exposure the young leaders will be able to learn life skills that can develop confidence, humility and love in serving Jesus. We invite you to partner with us, to encourage your child(ren) to serve in their capacity regardless of their age.

For more information, please connect with Pastor Amy Yu, Pastor for Children's Ministry at [amyu@scbc.com](mailto:amyu@scbc.com) or email Children's Ministry Team at [kidmin@scbc.com](mailto:kidmin@scbc.com).
